Mohammad Arham Ansari

Front-End Developer |+91-9022874930 | arhamansari7227@gmail.com| LinkedIn | GitHub |Portfolio

Frontend Developer and Computer Applications graduate with hands-on experience developing responsive and user-friendly web applications using React.js, Redux Toolkit, JavaScript (ES6+), and Tailwind CSS. Skilled in building reusable UI components, managing application state, and integrating REST APIs. Currently expanding technical expertise in C# and .NET to strengthen backend development knowledge. Seeking an entry-level Frontend Developer opportunity to contribute to real-world projects and grow professionally.

Technical Skills

- **Frontend:** HTML5, CSS, Tailwind CSS, JavaScript (ES6+), React.js.
- **State Management:** Redux Toolkit.
- **Programming Languages:** C#, Python**.**
- **Database:** SQL.
- **Tools:** VS Code, Chrome Dev Tools, GitHub.

EXPERIENCE

Frontend Developer Intern | Course-Based Internship | Jan 2026 – Apr 2026

- Completed a curriculum-based internship focused on modern frontend web development technologies.
- Developed responsive and user-friendly web interfaces using **HTML, CSS, JavaScript, React.js**, and **Tailwind CSS**.
- Create reusable and component-based **UI** elements using **React.js.**
- Implemented state management using **Redux Toolkit** and integrated **REST APIs** to **fetch** and manage data**.**
- Applied practical knowledge of **DOM manipulation, API integration, responsive design**, and frontend development best practices.
- Used **Git** and **GitHub/GitLab** for version control and project management**.**

Project

E-COMMERCE WEB APPLICATION May 2026 - June 2026

- Developed a responsive e-commerce web application featuring **dynamic product** listing using a **REST API**.
- Implemented **shopping cart functionality** Including product quantity management and automatic total **price calculation**.
- **Tech Stack:** React.js, Redux, Tailwind CSS, JavaScript, Vite.

EMPLOYEE MANAGEMENT SYSTEM Apr 2026 - May 2026

- Developed a responsive Employee Management System using **React.js** and **Tailwind CSS**.
- Implemented employee data entry forms to manage such as **name**, Employee **ID**, **Designation**, Email, Education, Address, Salary, **Joining Date,** and **Performance**.
- **Tech Stack:** React.js, JavaScript, Tailwind CSS.

Weather Web Application March 2026 - 10

- Developed a responsive Weather Application using **React.js and Open Weather API** to display real-time weather information.
- Implemented **city-based weather search**, to display **temperature, humidity, wind speed**, and weather conditions
- Added loading and **error handling** to improve the user **experience.**
- **Tech Stack:** React.js, JavaScript (ES6+), Tailwind CSS, Open Weather Map API.

EDUCATION

Bachelor of Computer Applications (BCA) | University of Nashik 2023-2026
